**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED  
FINANCIAL STATEMENTS  
TO THE SHAREHOLDERS OF AL ANDALUS PROPERTY COMPANY  
(SAUDI JOINT STOCK COMPANY)**

**Introduction**

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al Andalus Property Company ("the Company") and its subsidiaries (collectively referred to as "the Group") as at 30 June 2026, and the related interim condensed consolidated statement of profit or loss and other comprehensive income for the three-month and six-month periods ended 30 June 2026, and the related interim condensed consolidated statements of changes in equity and cash flows for the six-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

**Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

### **4 SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the interim financial statements requires management to use judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about the carrying amounts of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The significant estimates made by the management when applying the Group's accounting policies and the significant sources of uncertainties of the estimates were similar to those applied in the preparation in the Group's annual consolidated financial statements as at and for the year ended 31 December 2025.

#### **Geopolitical developments**

During the period ended 30 June 2026, the geopolitical tensions in the Middle East have escalated, leading to a state of regional instability. As of the date of issuance of these consolidated financial statements, the Group has not identified any material impact on its operations, supply chains, or financial position.

The current geopolitical situation has not materially impacted the significant accounting judgements, estimates and assumptions as at and for the period ended 30 June 2026. Management continues to monitor the geopolitical situation in the Middle East to assess if any further escalation or continuation of the conflict could result in any impact on the Group's operations and results and any changes required will be reflected in future reporting periods.

### **5 AMENDMENTS TO STANDARDS AND INTERPRETATIONS**

The accounting policies adopted in the preparation of these interim financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2025.

The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Several amendments and interpretations apply for the first time in 2026, but these do not have an impact on the interim financial statements of the Group.

The new standards and amendments to standards disclosed in the Group's annual consolidated financial statements remain unchanged.

#### ***Standards issued but not yet effective***

##### **IFRS 18 Presentation and Disclosure in Financial Statements**

IFRS 18 'Presentation and Disclosure in Financial Statements' is effective for period beginning on or after 1 January 2027 and will replace IAS 1 'Presentation of Financial Statements'. IFRS 18 sets out new presentation requirements for the statement of profit or loss and other comprehensive income, as well as more stringent and additional requirements on the aggregation, disaggregation and categorization of income and expenses within the statement of profit or loss and other comprehensive income .

##### IFRS 18 Presentation and Disclosure in Financial Statements (continued)

The Group has not early adopted this accounting standard in preparing these interim condensed financial statements; however, earlier application is permitted. The Group is in the process of assessing the estimated impact that the initial application of IFRS 18 will have on its consolidated financial statements. The Group continues to monitor IFRS 18 implementation guidance in advance of adoption for the period beginning 1 January 2027.

In April 2024, the International Accounting Standards Board ("IASB") issued IFRS 18 Presentation and Disclosure in Financial Statements, which replaces IAS 1 Presentation of Financial Statements and becomes effective for annual reporting periods beginning on or after 1 January 2027. The new standard introduces new requirements for the presentation, classification and disclosure of financial statement line items. The requirements were introduced to help achieve comparability of the financial performance of similar entities and provide more relevant information and transparency to users.

The key new concepts introduced by IFRS 18 include:

- A revised structure of the statement of profit or loss and other comprehensive income, requiring classification of income and expenses into 5 defined categories based on the entity's main business activities and presentation of two new mandatory subtotals;
- Required disclosures in the financial statements for certain profit or loss performance measures that are reported outside the Group's financial statements (that is, management-defined performance measures);
- Enhanced principles on aggregation and disaggregation which apply to the financial statements and notes in general;
- Disclosure of nature of expenses; and
- Consequential changes to other Standards.

The Group is currently assessing the expected impact of the initial application of IFRS 18 on its financial statements.

#### **A. Structure of the Statement of Profit or Loss**

IFRS 18 requires entities to classify all income and expenses in the statement of profit or loss into the following categories: operating, investing, financing, zakat and income tax, and discontinued operations.

The above classification of income and expenses will depend on Group's specified main business activity, which is investing in real estate assets which consists of investment properties, that earn rental income

The Group's application of IFRS 18 will not affect net profit or net assets. However, the Group will be required to present two new subtotals: operating profit and profit or loss before financing and income taxes. The operating profit subtotal under IFRS 18 differs from the current operating profit subtotal presented by the Group. Based on the information currently available, the Group expects changes to the existing structure of the statement of profit or loss. Finance cost on employees' benefits – defined benefits obligations is currently included within operating expenses, will be reclassified to the finance category.

IFRS 18 provides specific guidance on income and expenses classified within the investing and financing categories. The Group is currently evaluating whether gains or losses arising from investments measured at fair value through profit or loss may be appropriately classified within the investing activities. Also, the Group is evaluating whether share in profit/(loss) of equity-accounted investees may be appropriately classified within the investing activities and the finance income should be classified under investing, financing or operating activities.

### **5 AMENDMENTS TO STANDARDS AND INTERPRETATIONS (continued)**

#### ***Standards issued but not yet effective (continued)***

##### IFRS 18 Presentation and Disclosure in Financial Statements (continued)

#### **B. Management-Defined Performance Measures (MPMs)**

Management-defined performance measures represent subtotals of income and expenses used in public communications outside the financial statements and reflect management's view of a particular aspect of the financial performance of the entity as a whole. The Group will be required to disclose specified information relating to management-defined performance measures in a single note to the financial statements.

The Group is currently identifying the public communications that should be considered when determining management-defined performance measures. These measures relate to the same reporting period covered by the financial statements. Accordingly, the management-defined performance measures that will be disclosed by the Group upon adoption of IFRS 18 will be determined based on the Group's public communications relating to the interim reporting period for 2027.

The Group is assessing whether performance measures currently communicated to investors, analysts and other stakeholders, outside the Group consolidated financial statements meets the definition of an MPM under IFRS 18.

#### **C. Aggregation and Disaggregation Principles**

IFRS 18 introduces enhanced principles regarding how information is aggregated in the financial statements and provides guidance on the material line items, expenses and income categories that may require enhanced aggregation and disaggregation or presentation (i.e., aggregation and disaggregation of line items in both the primary financial statements and the notes). It also provides guidance on the naming and description of items presented in the primary financial statements or disclosed in the notes.

The Group is currently assessing the aggregation and disaggregation of items based on similar and dissimilar characteristics. Based on this assessment, it will present line items in the primary financial statements that provide organized and useful summaries and will disclose additional material information in the notes.

The Group is also assessing the line items currently labeled as others, including other operating expenses and will use more informative labels or disclose the composition of such items in the notes.

#### **D. Disclosure of Nature of Expenses**

IFRS 18 requires that if any operating expenses are presented by function on the face of the statement of profit or loss and other comprehensive income, then the entity will be required to provide additional information regarding its nature in the notes to the financial statements.

The Group is currently assessing the requirements of presenting additional disclosures for the nature of expenses in the notes to the financial statements.

#### **E. Consequential Amendments**

IFRS 18 introduces consequential amendments to IAS 7 Statement of Cash Flows, requiring entities to use the new operating profit subtotal as the starting point for preparing cash flows from operating activities when using the indirect method. The Group currently uses profit for the year/period as the starting point for reconciling to cash flows generated from operating activities. As a result of the new starting point, certain reconciliation items included within that reconciliation will change.

The consequential amendments also provide specific guidance regarding the classification of cash flows related to dividends. Under this guidance, the Group is currently evaluating classification of cash flows arising from dividends paid and dividends received within financing activities.

The Group's assessment remains ongoing and further refinements to the expected impact may arise as implementation activities progress and additional industry and regulatory guidance becomes available.

The Group has pledged Al-Andalus Mall against Islamic financing facility that is obtained from local Bank (note 10). Also, the group pledged Yassmin Al-Andalus Tower against Islamic finance facility that is obtained from local Bank (refer note 10).

The lands and the buildings classified as investment properties were evaluated by external valuers to determine their fair value as at 31 December 2025. The fair values of the investment properties amounted to ﷲ 2.35 billion as at that date. The key assumptions used in determining the fair value of the investment properties were discount rates, occupancy rate and exit yield rate and the valuation approaches used are the income approach (discounted cash flows) and sales comparable method.

The evaluation was carried out by the external valuers accredited by the Saudi Authority for Accredited Valuers (TAQEEM), [(Esnad: TAQEEM record No. 1210000934), (QIAM: TAQEEM record No. 1210000052) (ValuStart: TAQEEM record No. 1210000320/1210001039)].

\*During the current period, the management decided to use a portion of the head office building, which was previously rented out, for the Group's own operational purposes. Accordingly, this portion no longer meets the definition of investment property and has been reclassified to property and equipment due to the change in use and the related cost and accumulated depreciation were transferred from investment property to property and equipment.

The management believes that the fair values of investment properties as at 30 June 2026 do not materially differ from the fair values determined as at 31 December 2025.

**7 PROPERTY AND EQUIPMENT**

As of 30 June 2026, the cost of property and equipment amounted to ﷲ 263.26 million (31 December 2025: ﷲ 244.3 million) and the accumulated depreciation and impairment amounted to ﷲ 99.74 (31 December 2025: ﷲ 93.1 million).

During the year ended 31 December 2025, the Fund tested DoubleTree by Hilton AlAndalus Mall Hotel for impairment and recognized an impairment loss of SR 3 million with respect to property and equipment. The key assumptions used are discount rate, occupancy rate, and yield rate in determining the fair value and value in use using the discounted cash flow method technique.

The Group has pledged DoubleTree by Hilton AlAndalus Mall Hotel against Islamic finance facility obtained from local Bank (refer note 10).

During 2019, the Group obtained an Islamic financing facility amounting to ﷲ 650 million from local bank. The facility agreement included adherence to specific financial covenants for the local bank. The Group pledged the properties (Al-Andalus Mall and DoubleTree by Hilton AlAndalus Mall Hotel), in favor of a Real Estate Company, a fully owned subsidiary of the local bank, as a guarantee against the financing. The tenor of the Islamic financing facility is 15 years. The Islamic financing facility provides a 5-year grace period during which only profit payments must be made. Following the grace period, the principal amount shall be repaid over 10 years on a quarterly basis. Further, an amendment to the Islamic financing agreement was signed and the type of facility was changed from Ijara to Murabaha. During 2025, the tenure of the financing was revised and the outstanding financing balance became payable in July 2029. Accordingly, the financing balance was disclosed as non-current. The facility limit was increased to ﷲ 760 million instead of ﷲ 650 million. An additional amount of the facility of ﷲ 27.29 million and ﷲ 54 million was utilized during 2025 and 2024.

### **14 DETERMINATION OF FAIR VALUES, CLASSIFICATION AND RISK MANAGEMENT**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and at prevailing market conditions regardless of the fact that price is directly identified or estimated using other valuation technique.

All assets and liabilities whether these are measured at fair value or not, are disclosed in the financial statements in accordance with the hierarchical levels of fair value measurements as stated below are classified into the respective hierarchy based on the lowest level of input which is considered significant for measuring the fair value as a whole.

**Level 1:** Declared (unadjusted) and quoted market prices in active markets for the same or identical instruments.

**Level 2:** valuation techniques that use inputs that are directly or indirectly observable or tracked for an instrument other than declared / quoted prices mentioned in level 1.

**Level 3:** valuation techniques for which significant inputs are used that are unobservable or not tracked for an instruments.

The Group is exposed to risks as a result of using financial instruments. The following explains the Group's objectives, policies and operations to manage these risks and methods used to measure them in addition to quantitative information related to these risks in the accompanying financial statements.

There were no significant changes that may expose the Group to financial instrument risks through its objectives, policies and operations to manage these risks and methods used that are different from what have been used in prior periods unless otherwise indicated.
